OPNAV INSTRUCTION 5513.10C

From: Chief of Naval Operations

Subj: DEPARTMENT OF THE NAVY LIST OF ADVANCED TECHNOLOGY AND  
MISCELLANEOUS PROGRAM GUIDES

Ref: (a) OPNAVINST 5513.1F  
(b) SECNAV M-5510.36  
(c) CNO ltr 5510 Ser N09N2/8U223000 of 7 Jan 08 (NOTAL)  
(d) SECNAV memo of 21 Jun 07 (NOTAL)

Encl: (1) List of Active Advanced Technology and Miscellaneous  
Program Guides  
(2) List of Cancelled Advanced Technology and  
Miscellaneous Program Guides

1. Purpose

a. Provide an updated list of the active and cancelled Advanced Technology and Miscellaneous Program Security Classification Guides (SCGs), inclusively listed in enclosures (1) and (2).

b. Advise that SCGs will no longer be included as separate enclosures to the basic instruction. An active list of the SCGs and separate lists, such as enclosure (2), will be included, when applicable. This will permit Chief of Naval Operations (Assistant for Information and Personnel Security) (CNO) (N09N2) to expeditiously issue updates to the basic instruction and put forth the most current list of active SCGs, to better serve derivative classifiers.

c. Advise of a change in the assignment of the Identification (ID) number for each SCG. Specifically, the ID number for each SCG will no longer include an alphabetic designator that corresponds with the latest change to the Office of the Chief of Naval Operations Instruction (OPNAVINST) 5513.10 series (i.e., ID number 10B-02 will now be 10-02). Revisions to the SCG will still be inclusive with the ID number (i.e., 10-

02.2, with .2 representing the second revision to that specific SCG). The revision number is assigned by the Original Classification Authority (OCA) and will not start over when an update to the OPNAVINST 5513.10 series is issued, as in the past. ID numbers will continue to be assigned through (CNO) (N09N2), per reference (a). Reference (a) will be updated to reflect the new process for recording the ID number.

2. Cancellation. OPNAVINST 5513.10B (FOUO).

3. Action

a. OCAs shall remove the alphabetic designator as part of the ID number for each of their respective SCGs. This should eliminate confusion when the instruction is updated and further aid in expediting notification of updates to the list of SCGs in the OPNAVINST 5513.10 series.

b. SCGs listed in enclosure (1) shall be disseminated by the OCA, per reference (b); however, copies may also be obtained from CNO(N09N2) at (202) 433-8847, DSN 288-8847, or (202) 433-8862, DSN 288-8862.

c. The SCGs listed in enclosure (2) have been cancelled or incorporated in other classification guides and should be destroyed.

d. Derivative classifiers shall ensure the SCGs listed in enclosure (1) serve as the basis for the security classification of those programs affected.

e. Derivative classifiers shall adhere to the guidance in reference (c) for converting the duration of classification when an active SCG prescribes "Originating Agency's Determination Required" or exemption categories X1 through X8.

f. OCAs shall review their respective SCGs to comply with the duration of classification requirements of Executive Order 12958, as amended, and as directed by references (b) and (d). In addition, OCAs shall consider classification by compilation when updating SCGs due to the large volume of data transmitted and stored on unclassified and classified Department of the Navy (DON) networks and web sites.

JUL 21 2008

4. Records Management. All records created by this instruction, regardless of media, shall be managed in accordance with SECNAV Manual 5210.1.
