(b) DoD Director of Administration and Management
Administrative Instruction Number 88 of 26 Aug 2009
(c) Office of the Secretary of Defense Memo, Revised
Department of Defense (DoD) Order of Precedence, of
19 February 2010

Encl: (1) Pentagon Parking Facilities Map
(2) Department of the Navy (DON) General Parking
Allocation
(3) Department of the Navy (DON) Executive Parking
Assignments

1. Purpose. To establish policy and assign responsibility for
the management of vehicle parking for Department of the Navy
(DON) activities located on the Pentagon Reservation.

2. Background. Per reference (a), the DON is allocated 19
percent of the parking spaces located on the Pentagon
Reservation. Parking spaces consist of executive spaces, which
are numbered and reserved; as well as general spaces, which are
utilized on a first-come, first-served basis, based on parking
lot assignments.

3. Scope. This instruction applies to all DON personnel,
including military, civilian, and contractors located on the
Pentagon Reservation.

4. Responsibilities

a. The Department of the Navy Assistant for Administration
(DON/AA) administers the DON vehicle parking program and

appoints the DON component parking representative (DON CPR) who coordinates the parking program, per reference (b). The DON CPR is located in room 5E158 and may be contacted at (703) 697-0874.

b. The Assistant Secretary of the Navy (Manpower and Reserve Affairs) (ASN (M&RA)) maintains the DON Executive Annual Plan, which is a listing used to assign parking for civilian executive positions located on the Pentagon Reservation.

c. The Director, Navy Staff (DNS) maintains the Flag Officer billet structure, which is a listing used to assign parking for flag officer positions located on the Pentagon Reservation.

d. The Deputy Commandant for Manpower and Reserve Affairs (DC, M&RA) maintains the General Officer billet structure, which is a listing used to assign parking for general officer positions located on the Pentagon Reservation.

5. Policy. Parking on the Pentagon Reservation is a privilege and not a right or entitlement of any individual. It is also the responsibility of all personnel using the Pentagon Reservation parking facilities to read, understand, and comply with the requirements of reference (b), this instruction, any Pentagon Building Circulars and/or Department of Defense (DoD) issuances. If abused, parking authorization may be withdrawn. Failure to comply with DoD issuances may also result in legal and/or administrative action. Any requests for a waiver to this instruction must be submitted in writing to the DON CPR. Parking areas on the Pentagon Reservation are shown on maps located on the DON/AA Web site (<http://www.donhq.navy.mil/>) and in enclosure (1).

a. The ASN (M&RA) shall notify the DON CPR of changes to the Executive Annual Plan to allow update of the executive parking assignments.

b. The DNS shall notify the DON CPR of changes to flag officer billets to allow update of the executive parking assignments.

c. The DC, M&RA shall notify the DON CPR of changes to general officer billets to allow update of the executive parking assignments.

d. The heads of offices receiving parking allocations, enclosure (2), shall identify to the DON CPR a primary and an alternate assistant parking coordinator (APC) for parking matters. Additionally, these heads of office shall approve the assignment of general parking permits to personnel within their office.

e. The DON CPR shall maintain and update the executive parking assignments and general parking allocations (enclosures (2) and (3)) during the Pentagon Force Protection Agency (PFPA) bulk parking allocation. General parking allocations shall be posted on the DON/AA Web site (<http://www.donhq.navy.mil/>).

(1) Currently, general parking permits are allocated to offices based on square footage occupied in the Pentagon.

(2) Beginning with the next PFPA bulk parking allocation anticipated in 2013, general parking permits shall be allocated to offices based on the number of authorized billets assigned to the Pentagon Reservation.

f. The DON CPR may reserve no more than 1 percent of all DON assigned general parking permits for assignment as determined by DON/AA.

6. Parking Rules

a. Disabled Parking ("H" Permits). Requests for disabled parking permits must be submitted to the DiLorenzo Clinic, Pentagon (room MG854) for review and determination of the duration of the requirement. If the duration of the requirement for disabled parking is 60 days or less, the applicant must get clearance from the PFPA Parking Management Branch (PMB). The PFPA PMB is located in room 2D1039 and may be reached at (703) 697-6251. If the duration is greater than 60 days, the applicant must provide a signed letter on letterhead stationery from the DiLorenzo Clinic authorizing disabled parking to the DON CPR for processing.

b. Official Vehicle Parking ("O" Permits)

(1) Official Business. Official business parking permits may be issued for executives that require access through secured gates at the Pentagon. The requesting command must submit to the DON CPR a justification memorandum on letterhead, including the following information: agency point of contact and contact information, agency location, office names and points of contact that the executive routinely visits, vehicle make and model, license plate number, and state of registration. The memorandum must certify that the driver and executive have Pentagon building badges. Official business parking permits are usually assigned to government vehicles, but may be assigned to a state registered vehicle if leased to or owned by an executive. A copy of the state issued registration must be submitted with the memorandum. Under no circumstances may official business parking permits be used for courier services.

(2) Government Vehicles. All government vehicles must display a government vehicle decal to park at the Pentagon. The requesting office must submit a memorandum on official letterhead to the DON CPR providing the following information: agency point of contact, contact information, agency location, vehicle make and model, license plate number, and state of registration. After the decal is issued, the government vehicle may be parked at the Pentagon in north parking lanes 44 and 45 (Parking Area North B).

c. Executive Parking ("M#," "C5#," "NS#," and "SSA#" Permits). Personnel assigned to general or flag officer and executive (Senior Executive Service, senior leaders, highly qualified experts) full-time permanent positions at the Pentagon may be assigned reserved parking. Parking is assigned in the executive parking lot located closest to the executive's office location. Should an executive decide not to use the assigned parking space, it may be temporarily re-assigned by the DON CPR. The parking space remains associated with the executive's position, and is available if the executive chooses to use it in the future. Executives not working at the Pentagon on a full-time basis but assigned to the immediate staff of the Secretary of the Navy (SECNAV), Under Secretary of the Navy (UNSECNAV), Commandant of the Marine Corps (CMC), Chief of Naval Operations (CNO), Assistant Commandant of the Marine Corps (ACMC), and Vice Chief of Naval Operations (VCNO) may be cleared for temporary

parking. Should executive parking not be available, executives may be assigned in general parking. Executive parking is assigned based on reference (c), as detailed in enclosure (3).

d. Executive Staff Parking. Personnel assigned to the positions listed below may be assigned Executive parking permits. Parking is assigned in the parking lot located closest to the office location. Should a staff member decide not to use the assigned parking space, it may be re-assigned by the DON CPR on a temporary basis such that the parking will remain assigned and available for the staff position when needed.

(1) Executive Assistant to the SECNAV, UNSECNAV, CMC, CNO, ACMC, and VCNO

(2) Military Assistant to the SECNAV, UNSECNAV, CNO, and VCNO

(3) Military Secretary to the CMC and the ACMC

e. Van Pool and Car Pool Parking ("B" Permits). Van pool and car pool parking permits are assigned by the PFPA PMB. A van pool requires a minimum of seven members with at least four of the members employed full-time on the Pentagon Reservation. At least four members must report together to the PFPA PMB to obtain the permit. A car pool requires a minimum of two members and all members must report together to the PFPA PMB to receive the permit.

f. Temporary Parking

(1) Incoming and outgoing personnel may request temporary parking not to exceed 2 weeks from the PFPA PMB.

(2) Personnel permanently assigned to the Pentagon may request temporary parking directly from the PFPA PMB for the following reasons:

(a) Permanent parking permit is forgotten - limited to 1 day,

(b) Temporary duty - limited to 1 week, or

(c) Duty requirements are outside the mass transit hours of operation - limited to 5 calendar days.

(3) Personnel who receive Metro Transit Subsidy benefits and occasionally require temporary parking are allowed up to 5 days per month of temporary parking in the Hayes or Fern Street lots (Parking Area S-C) or north parking lanes 57-63 (Parking Area N-C). Requests for temporary parking may be requested directly from the PFFA PMB.

(4) Temporary parking clearances (less than 24 hour duration) must be submitted to the DON CPR via the DON/AA Web site (<http://www.donhq.navy.mil/>) at least 24 hours in advance and will be approved based on rank and grade for the parking lot closest to the location of the visited office. Temporary very important person (VIP) parking clearances for flag officers, general officers and civilian executives which will exceed 5 days per month must request a visitor parking clearance via command letterhead to the DON CPR.

g. Visitor Parking

(1) Visitors of the SECNAV, CNO, and CMC, and flag or general officers (4 star), governors, and Members of Congress will be cleared for parking at the Mall entrance to the Pentagon.

(2) Visitors of the UNSECNAV, ACMC, VCNO, and any Assistant SECNAV will be cleared for parking at the Mall entrance, if space is available.

(4) Lieutenant colonels and commanders (or O-5 equivalent) and GS-14 (or equivalent) and below personnel will be cleared for parking in the Hayes or Fern Street lots (Parking Area S-C) or north parking lanes 57-63 (Parking Area N-C).

(5) Non-executive personnel may be allowed to park in distinguished visitor parking spaces if attending a promotion, award, or retirement ceremony hosted by a general or flag officer or civilian executive.

(6) Contractors conducting service calls on the Pentagon Reservation may be authorized temporary parking in south parking lane 36 (Parking Area S-C).

(7) Visitor parking clearances must be submitted to the DON CPR via the DON/AA Web site (<http://www.donhq.navy.mil/>) at least 24 hours in advance and will be approved based on rank and grade for the parking lot closest to the location of the visited office. VIP visitor parking clearances for flag officers, general officers and civilian executives, which will exceed 5 days per month, must request a VIP visitor parking clearance via command letterhead to the DON CPR.

h. General Parking ("S-C," "N-C," "E-A" and "E-C" and "S-A" Permits)

(1) The DON CPR shall allocate general parking permits to offices listed in enclosure (2). Data to support the allocations shall be provided to the DON CPR by the DON/AA for the Secretariat, by the Director of Marine Corps Staff (DMCS) for the Headquarters Marine Corps staff, and by the DNS for the U.S. Navy staff.

(2) General parking permits shall be assigned as determined by the APC within a specific organization to meet mission requirements and shall be documented in writing to the DON CPR. Assignment of general parking permits shall consider the following:

- (a) Duty hours
- (b) Availability and convenience of mass transportation
- (c) Operating hours for mass transportation
- (d) Personal commitments before, after, and during duty hours

(3) Military and civilian employees assigned full-time to the Pentagon may request parking permits through the APC. Employees who previously received Metro Transit Subsidy benefits must also provide proof of withdrawal from the program, which may be obtained from the Mass Transit Benefit Program Web site (<http://www.whs.mil/dfd/info/ncrtransitsubsidy.cfm>).

(4) Contractor personnel working at the Pentagon on a full-time basis may be assigned a general parking permit on a first-come, first-served, space-available basis, once parking requirements are met for DON military and civilian personnel. Parking permits assigned to contractor personnel may be revoked at any time to meet other priority requirements.

i. Motorcycle Parking. Motorcycle parking stickers may be issued by PFPA PMB to civilian, military, and contractor personnel.

j. Cancelling Parking Permits. If a parking permit holder transfers agencies or offices without turning in their parking permit or loses the permit, it must be reported to the PFPA Communications Office at (703) 697-1001. A case number will be assigned and shall be forwarded to the DON CPR. The parking permit may not be re-issued until the case is closed.

k. Parking Lot Restrictions

(1) Executive ("M," "C5," "NS" and "SSA") permit holders may park in any Pentagon general parking area, with the exception of disabled spaces.
